

Meet some Ottawa frogs!

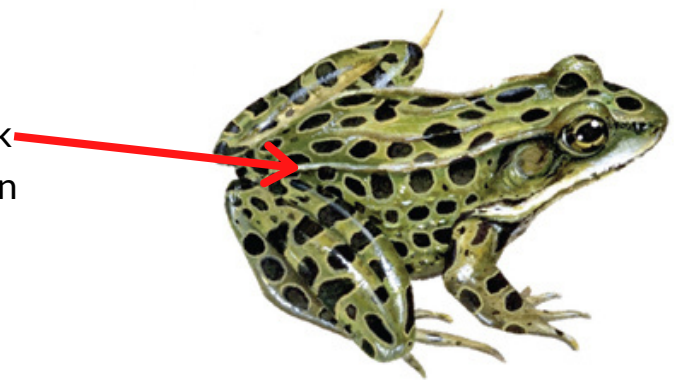

Bullfrog

- Green to brown colour
- Boys have a bright yellow throat
- The biggest type of frog found in Ontario!
- 3.5-8 inches long (use the ruler on the left to see how big they are!)
- When they call to other frogs, it sounds like someone is saying "Jug-O-Rum...Jug-O-Rum"!

Leopard Frog

- Green to brown colour
- Have a ridge along their entire back
- Dark brown or black round spots on back and side
- Their spots have a yellow outline around them
- 2-4 inches long
- When they call to other frogs, it sounds like someone is rubbing a wet balloon!

Green Frog

- Green colour
- Green or brown coloured legs
- Bright green top lip
- Dark coloured lines on its back legs
- 2-4 inches long
- When they call to other frogs, it sounds like someone is snapping a rubber band!
