

# ACTIVITY #5: BECOME A COMMUNITY SCIENTIST

*Using the information you gathered in activities #3 and #4, consider submitting your sightings to one of the many free and open access community science programs.*

When you enter your animal or plant observations online, it can help scientists and nature groups keep track of different populations over time as they see local and regional impacts from climate change, increased human development, and pollution.

Here are just a few you can pick from:

Merlin Bird ID
