

**walleye**

A photograph of a forest stream. In the foreground on the left, a large, textured tree trunk stands prominently. The stream flows through the center, surrounded by rocks and lush green vegetation. The background is a dense forest of tall trees. Overlaid on the center of the image is the text "Brook Trout" in a large, bold, cyan font.

# Brook Trout

# Sunfish

An underwater photograph showing a yellow perch swimming in a shallow, clear body of water. The fish is positioned in the lower right quadrant of the frame, facing left. The water is filled with various types of aquatic vegetation, including long, thin blades of grass and larger, darker leaves. The lighting is bright, creating a clear view of the fish and the surrounding environment. The overall color palette is dominated by the blue-green of the water and the yellowish-brown of the vegetation.

# Yellow Perch

An underwater photograph showing a dense thicket of green aquatic plants with long, thin stems and some broad leaves. The water is clear and greenish. A dark, semi-transparent rectangular box is overlaid in the center, containing the text 'Largemouth Bass' in a bold, light green font.
